<p>Title of main work (If you don't have a specific title, put in your Project Proposal Title) Does Schrödinger's Cat Eat Mice?</p>		
<p>Materials used in main work where relevant</p> <p>Plastic; Transparent pipes; Wood; 1 x oxygen mask; 1 x iPhone; 1 x power line for iPhone; 1 x Panasonic Box Monitor; 1 x kettle, 1 x HDMI to Triple Phono Converter; 1 x Folding USB plug; 1 x Triple Phono Lead; 1 x USB-C To HDMI Cable; 1 x Windows Laptop; 1 x power line for laptop; 1 x book;</p>		
<p>What ideas and questions are you exploring in your project (or this work)? 50 words approx. 75 words maximum.</p> <p>Titled after a famous thought experiment, this performative installation aims for generating a superposition of varied possibilities using an inconspicuous trigger. Meanwhile, such an unpredictability is used to put the performer in a passive position, reversing the relationship between a live performance and its creator.</p>
